The Method **AUGUSTINUS BADER**

VIP FACIAL 60MINS

The Method Augustinus Bader is a one-of-a-kind, highly-sophisticated skincare treatment. It was created to boost cell communication in order to support the body's innate biological wisdom to self-heal and regenerate. The method supports cell activity, which is responsible for balanced hydration, firmness, equal pigmentation and protection of the skin, in order to fight against intrinsic and extrinsic aggressors. It refines the surface by boosting the exfoliation metabolism and sealing the skin to prevent TEWL (Transepidermal Water Loss). The combination of science-based formulas, cutting-edge technology and state-of-the-art massage techniques send an external trigger to the fascia, namely the tissue; this is where all of the cell communication processes take place. This synergy delivers highly-targeted individual stimulation, triggering a sequence of highly-individualized regenerative processes. Augustinus Bader products could be thought of as a toolbox that the skin yields the most benefits from. These creations resolve all skin-related problems effectively, taking the optimal amount of time to attain the most suitable solution for individual skin needs.
